About DoublePlay DJ Services

Double Play DJ Services offers a wide variety of services to many types of events.

We specialize in weddings, retirement, birthday parties, fundraisers anniversaries, reunions, School Events, and much more.

DoublePlay DJ Services is a combined effort of two DJ's with over 30 years combined experience. We will arrive professionally dressed in tuxedos unless otherwise told that another dress is preferred for the event. We are currently serving the tri-county area including Wayne, Oakland, and Macomb counties in Michigan. Our library of songs includes more the 24,000 songs and a special selection of live songs as well. We have music for all occasions. We can provide a PowerPoint presentation for your event at an additional cost. Please contact us for an event that you will not forget.

**Our motto is Double the
Service-Events Done
Your Way!**

Our Services

Double DJ Services uses state of the art Bose Speaker technology for all events. We offer professional lighting fixtures, with lighting board, fog, moving lights, strobe lights, and special effects dance lights. All are housed on portable stands to take up as little room as possible to give you the largest dancing area. We are constantly updating our library of songs with a current count of over 24,000 songs. We have a wide variety of music, with a large dance selection.

We can provide for additional cost for your event a professional slideshow. You provide us the photos (preferably digital). If they are not digital we can scan the pictures. Slide shows can include music, if you have a request we can try to accommodate you.

Pricing options:

Package One-

DJ services for the first 4 hours start at \$550.00 and for every extra hour after that it is an additional \$100.00 per hour more.

Package Two-

DJ Services for 4 hours and PowerPoint show is \$750.00 this includes screen setup with slideshow. For every extra hour after the first 4 hours it will be an additional \$100.00 per hour more.

PowerPoint Presentation information-

The base PowerPoint presentation cost is \$200.00 for a 10 minute show. This includes music and setup of the slideshow. Any additional time prices vary please contact us for more information.

We can provide setup of two screens for your PowerPoint show for an additional cost. Please inform us if you would like more than one screen.

Prices are used for guides only, contact us, we can negotiate a price for your event, very reasonable!

We at DoublePlay DJ Services strive for excellence, for any customer that books an event with us.

We have backup equipment that we bring to every event, so there will not be any problems with the quality of service you get for your event.

We go the extra mile to obtain any special song requests you make before the event.

Our DJ's are extremely open, personable and concerned with providing you and your guests (audience) with the best possible music, and entertainment.

We Focus on providing you and your audience with music you want to hear through a clean, rich, full range state of the art sound system.

We provide your guests with request cards they can fill out for special dance requests. We will try to provide them with the best show and performance money can buy.
